AKAYA AKASHIYA AYAKASHINO

Plotpoint of the Previous Chapter

Synopsis

A boy called Fur was born and raised in a village on the outskirts of Utsuna. One day, he discovered the mountain and went to a festival, and there was two mysterious boys. Fur wanted to become friends with them, but the awareness of his family, Akashi, told him to "Obey me or there will be disaster for you."

The Story So Far

Fur went to find out the truth behind his principal's "sweeping away" and found out that the principal was actually an enemy during the investigation. He learned the power of "Fur" from Akashi himself and saved Topp. Fur accepted Akashi's school and became his student. Akashi told Fur that, one day, he would become a demon and that Fur was his "partner" created for the "great" action by the demon.

THE MOST
IMPORTANT
PROBLEM IS THAT
"TSUBAKI'S ABILITY

GOING STRONG

AT THIS RATE,
TSUBAKI WON'T
